HALF DAY CITY AND TEMPLE TOUR : (Morning 08:30 - 12.00 / Afternoon 13:30 - 17:00)

Visit and explore four revered temples in Chiang Mai. All was constructed during the Lanna period; each reflects the glory, splendors and nobility of a rich historical era. In the center of the city lies Wat Phra Singh first built during the reign of Phra Chao Kham Fu (1328-1335). The temple's compound includes the Lai Kam Chapel and the abbot of this important temple is the head of the local religious administration. Lying smack in the heart of the city (almost right in the middle of the square-walled city) is Wat Chedi Luang, the large Chedi (the biggest in the city) behind the vihan was constructed by King Saen Muang Ma around 1401. Originally 90 meters high, it is now a mere 40 meters as the result of an earthquake in 1545. A small building near the main entrance encloses the "Sao Intakin" (spirit of the city). Last but not least is Wat Chiang Man, lying in the Northern part of the **old walled city; it is the oldest temple within the city walls. Constructed by King Mengrai (1296-1311) the founder of Chiangmai,** it is said that the king spent his last years in this temple.

Drive around the old city to see the moat surrounding it and the ruins of the city gates. Then visit the largest central market, Worarat Market, alive with its daily hustle and bustle. Exotic fresh fruits, preserved food, local delicacies, clothes galore, flowers and other knick knacks, all at reasonable prices.
